Three interdependent forms of Buddhist-Christian dialogue have emerged to this date: conceptual dialogue, socially engaged dialogue, and interior dialogue. The focus of conceptual dialogue is doctrinal, theological, and philosophical, because it is concerned primarily with a religious community's collective self-understanding and worldview.

Interreligious dialogue presupposes that discourse functions the same for both parties. I argue that what makes Christian-Buddhist dialogue so difficult is that whereas Christians have a realist view of theoretical concepts, Buddhists generally do not. The evidence for this is varied, including the Buddha's own refusal to respond to metaphysical questions and the Buddhist constructionist view ...

The history of Buddhism goes back to what is now Bodh Gaya, India almost six centuries before Christianity, making it one of the oldest religions still being practiced.. The origins of Christianity go back to Roman Judea in the early first century. The four canonical gospels date from around 70-90 AD, the Pauline epistles having been written before them around 50-60 AD.
