Every Breath is a phenomenal thriller from a Brilliant Australian author in Ellie Marney. It follows the story of Watts and Mycroft, who are on a strictly last name basis. Both dynamic characters in their own right, but share an intense attraction. Mycroft is a young man without supervision, living in a run down, ramshackle house with his absent aunt.

Every Breath (Every, #1) by Ellie Marney - Goodreads

Ellie Marney was born in Brisbane, and has lived in Indonesia, Singapore and India. Now she writes, teaches, talks about kid's literature at libraries and schools, and gardens when she can, while living in a country idyll (actually a very messy wooden house on ten acres with a dog and lots of chickens) near Castlemaine, in north-central Victoria.

This is what happened while I was reading EVERY BREATH by Ellie Marney. As a lover of Sherlockian things, the prospect of reading a contemporary retelling of sorts of the Sherlock mythos, featuring a boy named Mycroft in the Sherlock role and Watts played by a girl, appealed to me in endless ways. Guys. No joke. EVERY BREATH is amazing.

Books - Ellie Marney

Every Breath by Ellie Marney is a cracking read. The pace is faultless, the plot twists and turns like a hedge maze, and the characters are layered, complex and oh so engaging. Unlike recent television remakes that place Conan Doyle's characters in a modern city (be it London or New York), Ellie Marney has created an entirely new cast of characters.

Ellie Marney is Australian, so it makes sense that Every Breath is also very much Australian. To the point where I had to look up a couple of terms.
