This mod retextures the fires and flames. From the arcane fires at Arcane University and the big open fires in Kvatch, to the burning effect when using flame spells and the fire of the torch - all has been retextured. Together, a total of 177 textures! The reason I did this was because I thought the fires and flames could use a big overhaul.

Oblivion was entered by Team Trinity into Series 2 of Robot Wars, later competing in Series 3 and 4. It was made by Trinity School, Croydon (now known as Trinity School of John Whitgift) as a sponsored project. It was fast at 12-20mph but lightweight at only 58.7kg. It was defeated in the Heat Final of Series 2, after being "pepper-potted" by Mortis. Oblivion 2 failed to qualify for the main ...
