**Introduction to  
Aerospace Materials  
by Adrian P. Mouritz**

AIAA is the world's largest aerospace technical society. With nearly 30,000 individual members from 85 countries, and 95 corporate members, AIAA brings together industry, academia, and government to advance engineering and science in aviation, space, and defense.

# File Type PDF Introduction To

## **Home | AIAA**

Organized by AIAA Technical Committees and experts in their fields in conjunction with AIAA forums, workshops focus on problems and challenges in a specific discipline area or in a general area related to aerospace. Participants get hands-on experience and can share best practices and lessons learned with each other.
