I should of went with the 40 which it was rated for but thought that was just crazy. ... Safe hunt it could be the prop on your Mercury that ...

How fast will a 25 hp outboard go - Lake-Link

I've got a 3 yr old Mercury 25hp EFI 4-Stroke. Every time I take it out since last fall it does the same thing. When I get under way at full throttle, within almost exactly one minute the motor's warning light/alarm (solid tone) comes on and the motor goes into an idle mode. Ok, first thought is that it's over-heating, or it's not warmed up. It ...
