Amazon.com: Rise and Fall of Strategic Planning ...

The Rise and Fall of Strategic Planning is no exception. It is a book about finding a general theory of strategic planning which, given that the search is rooted in Mintzberg's observations of what actually happens in the real world, has the potential for practical application.

Rise and Fall of Strategic Planning book by Henry Mintzberg

In this definitive and revealing history, Henry Mintzberg, the iconoclastic former president of the Strategic Management Society, unmaskes the press that has mesmerized so many organizations since 1965: strategic planning. One of our most brilliant and original management thinkers, Mintzberg concludes that the term is an oxymoron -- that strategy cannot be planned because planning is about ...

(PDF) Mintzber 1994 The fall and Rise of Strategic ...

The Rise and Fall of Strategic Planning is an important book, whose significance goes well beyond its subject. Most leaders, managers, and companies have adopted methods of deciding what to do and how to implement them without considering the fundamental assumptions and experiences with those methods.

Rise and Fall of Strategic Planning: Amazon.co.uk ...

Henry Mintzberg's The Rise and Fall of Strategic Planning (1994) reflects a general dissatisfaction with the process of strategic planning - research by the US Planning Forum found that only 25 percent of companies considered their planning processes to be effective and OC&C Strategy Consultants observed that 'the humane thing to do with most strategic planning processes is to kill them off'.
