### The Future of the Past by Alexander Stille

When we talk about the past, we sometimes want to refer to something which was in the future at the time we were speaking. We use past verb forms to do this: The last time I met her, she was leaving for a new job in Italy the following day. (past form of She is leaving)

### Future in the past - English Grammar Today - Cambridge ...

Future in the past is used to express the idea that in the past you thought something would happen in the future. It does not matter if you are correct or not. Future in the past follows the same basic rules as the simple future. "Would" is used to volunteer or promise, and "was going to" is used to plan.

### **The Future of the Past**

In the last panel, Silva draws a naked couple in a lush garden, an obvious play on Adam and Eve. In doing such, he connects the far future prophecy of X 3 =year one thousand with the long past origins of mankind and the Garden of Eden thematic, so present in the previous chapter, emphasizing the eternal nature of these apocalyptic revelations.
