The Shadow Hour

Full of love, loyalty, betrayal and friendships, The Shadow Hour is the sequel to The Girl at Midnight. Echo is being hunted by a terrible darkness called Kucedra as well as The Dragon Prince. She must find a way to defeat both without endangering her friends or home. I thoroughly enjoyed it though not quite as much as the first book.

The Shadow Hour (The Girl at Midnight, #2) by Melissa Grey

A Neo-Noir following twin brothers born with a mysterious condition: only one of them can be awake at a time. Posing as one person, each awake for only half of a day, they make a living as private investigators... until a budding romance threatens to ruin their lives. Starring Tom Riley, Britt Lower

THE SHADOW HOURS

The Shadow Hour is another beautifully told story from Kate Riordan. Historical fiction told through a dual time-slip narrative. I loved young Grace as the mysteries and intrigue unfold at Fenix House where she uncovers family secrets following in her Grandmothers footsteps as governess to the family's children.
